Dear Planned Parenthood South Atlantic:

On Friday, July 13, 2018, Governor Henry McMaster issued Executive Order 2018-21 directing the South Carolina Department of Health and Human Services to deem abortion clinics unqualified to provide family planning services to beneficiaries in the South Carolina Medicaid Program. On July 5, 2018, Governor McMaster issued his vetoes to the FY 2018-2019 General Appropriations Act, among which was Veto 42, which prevents taxpayers from subsidizing abortion providers, including Planned Parenthood. Previously, Executive Order 2017-15 requires the South Carolina Department of Health and Human Services to take all necessary actions to cease payment of funds to any physician or professional medical practice affiliated with an abortion clinic.

The Governor's actions result in Planned Parenthood no longer being qualified to provide services to Medicaid beneficiaries; therefore, Planned Parenthood's enrollment agreements with the South Carolina Medicaid Program is terminated effective July 13, 2018.

Sincerely,

Amanda Q. Williams  
Office of Health Programs
